

MARQUIS® WeatherMax® Shingles

“Your Best Investment For Outstanding All-Weather Performance”

The top-of-the-line in traditional “3-Tab” shingles, Marquis® WeatherMax® is designed for the discriminating homeowner who demands outstanding performance, classic detailing, and a traditional appeal.

for HOMEOWNERS

- ***Your Best Investment...*** For just pennies-a-day more than standard shingles, Marquis® WeatherMax® shingles provide outstanding, all-weather performance
- ***Highest Performance...*** Super heavyweight design and extra-strong Micro Weave® Core provide 150% the resistance to tearing as standard shingles, plus 63% greater strength in bitter cold temperatures
- ***Stays In Place...*** Marquis® WeatherMax® shingles are confidently warranted to withstand winds up to 80 mph—has even passed laboratory tests at up to 110 mph “hurricane-force” wind speeds!
- ***Safer...*** Class A fire and wind rating from UL – the highest rating possible
- ***Looks Great...*** Color Lock™ ceramic firing process (similar to fine china) maintains true color longer
- ***Great For Resale...*** Long-lasting beauty can increase your home’s resale value
- ***Peace Of Mind...*** 30-year ltd. transferable warranty with Smart Choice® Protection for the first five years (non-prorated material and installation labor)*

for **PROFESSIONALS**

- **Versatile...** Twice as sturdy as standard shingles, so they lay flatter and look better—excellent for reroofing or complete tear-offs
- **Less Chance Of Call-Backs...** Special Dura Grip® adhesive seals each shingle tab with twice the strength as standard shingles (after thermal sealing has occurred)

* See limited warranty for complete coverage and restrictions
